Tribute from Ken & Verna Meyer

Relation: Aunt

We have many great memories of our visits with Aunt Annie! One of the best for me was visiting a china shop in Nelson, B.C. We not only found a tea pot but had lots of laughs shopping. V

Tribute from Gloria and Bryan Furgason

Relation: Aunt

We never seen Auntie Anne much as we lived too far apart, but we did keep in touch over the phone regularly and had alot of great talks. She was always cheerful and found something to laugh about no matter what. She was very thoughtful when times were tough, and always had a phone call or a card to send to whoever needed cheering, and I think thats what I liked most about her, was her caring ways. We'll miss her alot. love Gloria!!

Tribute from Bill & Darlene Myers

Relation: Nephew

Over the past 10 years we have been very close to Aunt Anne, talking on the phone almost daily and often 3 or 4 times a day. Living on the Island, it was easy enough to visit her also, although it seemed we did not get together often enough. That seems especially true now since she is gone. Before, there was always next week or the week after. Now there are no more chances.

We were lucky in that we did get to see her several times in the last few months. And although she was ill there was still a chance to talk and an opportunity to share a laugh and a hug.

We will think about her when we see a humming bird or taste a "goody" that is not quite as good as she would have made. And I know she will come to mind when the phone rings in the morning.

We miss her a lot and will remember her always.

Love Bill & Darlene
