Tribute from Fred McGuinness

Relation: Barry was a regular at my business and we always looked forward to a visit when he had a project that we could help with.

So sorry to hear of Barry's passing. Condolances to the family and my thoughts are with you.

My deepest sympathy to the family. Eve and Jim were good friends of ours. May he rest in peace and rise in glory

Tribute from Steven Gordon

Relation: Brother

You were so cool my brother, well loved and a rascal. He was the ground breaker for my generation. First to go to Haight Ashbury hippy scene and come back with long, omg, hair. Mom had to haul you in the house before the neighbors saw you, she burn your clothes when you took a shower. You were my hero, champion and my friend and I shall miss you all of my days. Peace out brother.
