Tribute from Amber Henderson

Relation: Friend of her daughter Keely

I will always remember her wonderful laugh. She was always there for us girls in high school and driving us to rowing practice. I enjoyed when she would come and make caramel apples with my parents and I at Halloween. And I will always remember her and Terry walking Keely all the way from Cobble Hill to Mill bay in the deep snow just to make it to my birthday party. Such a wonderful woman. She will always be in my heart and always remembered. All my love and thoughts go out to the whole family.
