

**REMEMBERING**  
**Carol Ann Stenberg**

October 18, 1956 - November 14, 2018

Death leaves a heartache no one can heal, love leaves a memory no one can steal.

Stenberg, Carol Ann (nee Brown)

October 18, 1956 - November 14, 2018

Carol passed away after a courageous battle with breast cancer. She leaves behind the love of her life, Terry, and daughters, Tarah, Dianna (James Baumann) and Keely, all the diamonds in her eye. Also left behind is her brother, Ian Brown (Susan); sister-in-law, Denise Drysdale (Daniel); niece, Jodie Angus (Brodie); nephews, Dax Brown (Mary) and David Drysdale (Nicole); great nieces and nephews, Owen Drysdale, Zoe Drysdale, Amelia Brown, Evan Angus, Theo Brown and Lily Angus; dearest friend June Painter; many other relatives and good friends.

A celebration of life will be held at the Clements Centre Society, 5856 Clements Street, Duncan, British Columbia on Saturday, November 24 at 2:00 PM. Those attending the celebration are asked to bring any knitting, sewing or needlework Carol has done for them to display on the table. Those wishing to donate on Carol's behalf are asked to give to the Clements Centre Society or a charity of their choice.

Thank-you's to Dr. Dan Philippon and Dr. Joanne Vergidis.

The streets of Heaven are over crowded with Angels.
