Tribute from H.W. Wallace Cremation & Burial Centre

H.W. Wallace Cremation and Burial Centre Staff send our condolences to family and friends.

Tribute from Pieter and Beja Koeleman

Relation: We were both member of the Rotary Club of Campbell River

Dear Arlene and family. Just learned about the passing of Bud. Our sincere condolences and we hope that you will find the consolation and strength to overcome your loss. Personal I have fond memories of Bud when he was Rotarian here in Campbell River not using many words, but when he did we were listening.

He left a lasting impression when you both went to Harbin in China. Not realizing that it was for that long time. You both were active involved.

We wish you all the best Arlene.

Warm regards, Pieter and Beja

Tribute from Lorne & Karen Todoruk

Relation: Worked for BCFP under Bud's management.

We just saw Bud's obituary in the Campbell River Mirror and we extend our most sincere condolences Arlene to you and our family. We thought a lot of Bud and highly respected his management and leadership. We have always remembered your hospitality and the wonderful Christmas parties you and Bud hosted for BCFP employees and their families. May he rest in peace.
