Relation: Friends through family & children.

Sending my deepest condolences to the family. Darlene was a wonderful person and will be missed dearly by so many. Her light shines on...

I am grateful to have had the many years of weekly chats beside the soccer pitch watching our girls play.

My heart will be with you all at the service. My apologies, I will be out of town.

Tribute from Gail Andersen

Relation: High-school friend.

Darlene, met you in high school, where your big huge smile lit up the hallways. We reconnected after I moved back to the island and would have our weekly meet ups in the Superstore aisles or when we came to get our teeth cleaned at the dental office. My heart is broken, I will miss you terribly rest well, my friend
