Tribute from Sandy Wentzell

Relation: Friend

My heart is saddened with the loss of such a beautiful woman. Donna was a joy to be around as she was always smiling no matter how she felt. She was such a kind, loving, generous person and God will welcome her home. We will miss her terribly.

Tribute from Jacqueline Walisser

Relation: Cousin

I read the news about Donna just before starting out 6th day on the bike [from Salzburg, Austria to Prague, Czech Republic). I thought about Donna all day and told Paul about her and my memories of Shawnigan Lake. We travelled over the Czech countryside on a beautiful fall day and I could not help but think that Donna will be ok. There are a lot of people who love her that are waiting for her, wherever one goes after this life is over. She will be ok. Have seen lots of geraniums and dahlias on this trip...reminds me of my mom...she is up there ready to take care of Donna.

I'm so sorry for this tragedy...it must be hard to understand. I wish I could be there with you, my favourite Aunt and Uncle.

Love Jacqueline

Relation: member of the extended family

I'm so sorry to hear the news of Donna. This is so sudden. I can recall her laugh so clearly from when we all gathered to enjoy a family dinner this summer. So sad.

My heart and thoughts are with you Olga, Don, Duncan, Mark and Donald.

Tribute from Bill and Jeanne Aten

Relation: Friend

Dear Don, Olga, Mark and Don:

Bill and I wish to express our regret and sorrow on hearing of Donna's death. We are sorry we were away when all this happened and not able to say this in person.

She was always in good spirits when she came to pick up her raspberries or blue berries or her favorite syrups even though she had many challenges. She was so fortunate to have a loving family to stand with her. We will always remember her with kind thoughts.

Our hearts go out to you to share your loss.

Bill and Jeanne Aten
