Tribute from Lorna & Bill Wilson

Relation: Good Friend

Our last visit with Cookie and Karen, a few short weeks ago, had us in stitches as was the norm with Cookie. His sense of humour and genuine concern and kindness for others has touched many hearts along his life's path and many will miss him. His love for Karen was ever apparent, although I do remember some smiling "eye rolls" from her after some of his good natured teasing. We had some great fun while living in oddball places, working together, and we will hold those memories closely. Karen, our hearts ache when we think of your loss. May memories of the love and laughter the two of you shared help you through this quagmire of heartbreak and grief. Your many friends and family are eager to hold you up for as long as you need if you can let them in, don't go it alone. Love and hugs from us both.

Relation: I worked with him

I was saddened to learn of Cookie's passing this morning. I always felt like I had a special bond with him every time we'd see each other. Perhaps it was the fact we graduated from the same high school. He was great to work for and always brought a smile to my face whenever I saw him. He will be greatly missed. My sincere and heartfelt condolences go out to all his family and friends. Rest in Peace my friend.

Tribute from Jason & Melissa Paxton

Relation: Family Friend

I met "Cookie" through my parents friendship with Karen and the family. To Me, at the age of 13 he was larger than life, he never ceased to put a smile on my face for all the time I have known him. As I grew up I did not see as much of him as I would have liked, but he was always a point of conversation during discussions with my Dad, who was as close as friends could be with him. Cookie, you will be missed and cherished, but never forgotten. To Karen and the family, Our warmest and most heartfelt prayers & condolences to you in this time. Jason, Melissa & our family
