Tribute from Jo-Ann Textor

Relation: Niece

Uncle Glen always had a smile and a joke ready on hand.

He taught me how to water ski on Shawnigan Lake when I was young he said " cross the tips of skis to get up"., and it worked everytime. When I was older I took off from the wharf with my tips crossed and made it around Shawnigan Lake.

My sincere condolences to Glenda, Bonnie, Cathy and families. May your memories always comfort you.

Rest In Peace Uncle Glen

Tribute from Derek Crawford

Relation: Friend

Glen was one of the first people I met on moving to Duncan. His love for life and sense of humor stood out from the start. He was a true gentleman and the entire community will feel his loss.

Definitely, a life well-lived.

Tribute from Glen Quarmby

Relation: I knew him ever since I was born

Glen Harper was many things to me. He was my boss, friend, fishing buddy and curling opponent no name a few. But most importantly he was my namesake.

I have many fond memories of him but most of all his sharp wit and laugh.

Very few leave this world with as much impact as Glen and I hope that the girls and their families take comfort in knowing their loss is shared by so many.

Tribute from Melodie and Grant Blundell

So sorry for your loss. Harpers was the high point of our week, when we could slip away from work and go "shopping". Knew Glen through business for a lot of years. Mel and Grant Cowichan Shipyard Ltd.

Tribute from Judith (Ayers) Maguet

Relation: He was my childhood hero

Marg ,Glen and their girls were a huge part of my life growing up in B.C. Glen was a true example of what a father should be. He was always kind and understanding. I must say I was envious of the girls having such a great Dad !!!! I will never forget the many trips to the skating rink many Saturdays during the winter. It cost 10 cents to go skating and Glen always paid for me to go and that was a really big deal for me and was very much appreciated.It has been said that what you give into the lives of others comes back into your own tenfold , Glen gave into his girl's lives and they certainly gave back to him in so many ways. He was a man well loved and very much cared for and no one could ask for anything more.
