**Tribute from JoAnn Wanner**

Relation: Through QMS

Our deepest sympathies from the Wanner Family

---

**Tribute from Tony and Lene**

Jan was a unique personality ----much admired for her great love of all animals.

---

**Tribute from Joan Winfrey**

Relation: Friend

Jan will be missed by many - she was a giver of help and kindness - a very generous soul.

---

**Tribute from Eve Savory**

Relation: Through QMS and the Alumni Association

What a sad thing to read in the local paper. She was the Link that many of us Old Girls counted on to link us to the school, and thus to each other. She gently encouraged us to come to school events and wanted us all to love it as deeply as she did. I will miss her.

---

**Tribute from Lori Barekman**

Relation: I graduated from QMS in 1978 and she was my PE teacher and hockey and track coach.

"Greenbomb" was a wonderful coach and teacher and I was very sorry to hear of her death. She embodied Servite Fortiter and her quick wit, big smile and large heart will always be in my memories of her.

---

**Tribute from Carol-Ann**

Relation: Coworker and friend

On behalf of Cowichan Community Policing Volunteer Programs and Services, I extend our

condolences to Jan's family and friends. Sadly, I will not be able to attend her celebration of life due to another event scheduled the same day.

Jan was a Speed watch volunteer from 2005-2015 where she and her partner helped to educate drivers on speed, distracted driving and other road safety tips. She was a vital part of the Program team and her sense of humour kept the "boys" on their toes. Jan was also the Block Watch Captain for her street and extended her knowledge and desire for a safe community into her neighbourhood. As she reunites with the volunteers who preceded her, we can rest easy to know there is one more road safety angel keeping an eye out for us.

---

**Tribute from Sheila Thompson**

Relation: Friend and co-worker.

I worked with Jan on and off for the last 5-6 years as a volunteer, She was unfailingly up-beat and always had a ready smile and a witty repartee. She will be sorely missed. RIP Jan.

---

**Tribute from Gillian Charpentier**

Relation: I was a Student at Queen Margaret's School from 1975 - 1978

May you find peace as you go through this very difficult time.

---

**Tribute from Rosalind Coleman**

I never met Jan face to face but she helped to reconnect me with QMS after I had returned to Victoria having spent many years working abroad. She somehow tracked me down and encouraged me to give a short history of my working life for one of the QMS publications. She also kept me abreast of all the events going on at QMS. I am sad to hear about her death and would like to send my condolences to her family. Graduating Class of 1963

---

**Tribute from Carol Birch**

Relation: A dear friend for over 25 years

Dear Jan was an "institution" here in the valley and will be missed by many. Our Riders breakfasts will not be the same without her.

---

**Tribute from Pat Fiddis**

Relation: Friend

Sorry to hear that Jan has passed. I knew her through working with Community Policing and always saw her at the various QM events at the school. She will be missed.

---

**Tribute from Carol-Ann Community Policing**

Was glad there was a change in plans and I was able to attend Jan's celebration on life with so many other people who held her dear. I had to chuckle as people shared memories of Jan but kept a few Community Policing moments private for her memory. I shared with the volunteers that one of us is looking out for community safety and when you drove through a school zone especially, slow down to the posted speed and think of Jan.

**Tribute from Sandy Aumonier**

Relation: She was my teacher

Miss Green was my phys-ed teacher when I was in grade 11 at G.P. Vanier S.S. Not only was she a wonderful teacher, but she was decent, kind and respectful human being. One of the best, and I will always remember her. Sandy Aumonier
