Tribute from Susan Davies Goodkey

Relation: Neighbours and friends for, forever.

Owen was like a big brother to me. He taught me how to play crib when I was 9 years old. I play still, with a group of seniors in my town. He was well loved and will be missed. My heartfelt condolences to all the family.

Tribute from Betty Anne McCallum

Relation: since 1957 when I moved out west to Victoria.

Our whole family was saddened to hear of Owen's passing and wanted me to pass on their condolences with mine. I first met Owen and his family when I moved out west in 1957. At that time they lived on Jasmine. Great family and I know that he is reunited with them now and with Auntie and Unc. May God give you peace and strength as you travel without him. Sending love and prayers for all the family

Tribute from Vicki (Prior) Rowan

As one of the kids who grew up at the Fire Hall, Owen was always one of my favorites of the parents. I remember him as a devoted father and a great guy who always had a smile on his face. My heartfelt condolences!

Tribute from Steve and Betty Byatt

Relation: Friend

Dear Owen, we loved you so much. You were the first person my mom, sisters and I met when we moved into the neighbourhood. My sister's first boyfriend. You and Steve have known each other since the age of 8. He remembers you, with your six shooters strapped around your waist, diving and

rolling and shooting at the bad guys. You were our brother. No one called me "Boop" but you. This breaks my heart knowing I won't hear you call me Boop anymore.

We lost touch with each other for a few years but when we reconnected, it was like no time had passed. We loved your impromptu visits when you came to Victoria for appointments. God how we will miss that laugh. I loved making you laugh just to hear it. You mellowed beautifully with age O. Thank you, dear friend and brother for the memories. Until we meet again. XO

Tribute from Glen Ridgway

Relation: Friend

Great guy. Real service to people of North Cowichan.

Tribute from Wayne Johnston

Relation: A fellow firefighter.

I was saddened to learn that Owen had passed. My condolences to his Fire Family and his home family. I had worked with Owen in getting the fire trucks from Crofton repaired. He was great to work with. Rest easy Owen, we can handle it from here.

Tribute from Terry Shaw

Relation: Friend

I first met Owen over 30 years ago when I joined the Crofton fire department as a Proby and Owen had transferred from Duncan South End. He welcomed me and my family to the firehall with a big smile and his infectious laugh, which was the start to a lifelong friendship. Rest In Peace, you will surely be missed old friend. Our heartfelt condolences from our entire family to yours Bonnie.
