H.W. Wallace Cremation and Burial Centre Staff send our condolences to family and friends.

Tribute from Bonnie Close

Relation: family

Uncle John had a heart that was huge along with a sense of humour that was hard to match. He will be warmly remembered and missed. Love to Rocky, Cindy and Vicki and their families.

Tribute from Cheryl Keyes (Valleau)

Relation: Family Friend

Our sincere condolences to all the family. There is one heck of a reunion being held in heaven as the Valleaus and Robsons are back together. As you well know, the friendship began in school and lasted a lifetime; Mom and Dad knew they were always welcome to park their motor home in your parents yard, it didn't matter if it was for a short or long stay, the welcome mat was out! Our thoughts are with you during this difficult time.

Sincere Condolences to Rocky and his family. I remember those days in Pemberton, where John always gave us new drivers words of encouragement and support. 'Cocktail Hour' will always have good memories.
