My deepest condolences to Judy Ann's family. Our grad committee heard of her passing but couldn't locate this tribute. She was missed by all her classmates in September. She is fondly remembered by us all.

Tribute from Michael Fong

Relation: Friend

My mom and dad knew Judy-Anne for many years when she lived in Victoria. I remember her as warm-hearted lady and full of life. One day fine mom and dad introduced her to our next door neighbor Jake and the rest was history.

We kept in touch over the years after the happy couple moved to Chemainus she shared intriguing stories about her garden and travels. I was very happy for her.

She touched many hearts. I will miss her.
