HEARN, Leona

January 9, 192... - May 26, 2021

Our dear Mom passed away after having a short down turn in her health. It was a family anecdote that no one was to ever know Mom's age. Thus the ". . ." in her birth date above.

Leona was predeceased by her husband, Walt, and her son, Larry. Survived by her daughters LaVerne (Rand) and Rosemary (Dale), grandchildren and great grandchildren.

Thank you to Dr. Kate MacDonald, Dr. Barr and to the Staff at Sunridge Place for their care and compassion.

Momism - OLD is NOT in my vocabulary!
