Tribute from H.W. Wallace Cremation & Burial Centre

H.W. Wallace Cremation & Burial Centre staff send our condolences to family and friends.

Tribute from Joan Milne

Relation: School friend

Carl and Allen, my sincerest condolences in the passing of your Mother. I have known your Mom since high school, although we were not really close, it was so nice to bump into over the years. We would try and cram in so much in the 15 or 20 minutes we chatted. Usually it was about you two, she was so proud of you both. It was so nice to see her at our 50th reunion in 2019, we had an opportunity to really visit. Hold your memories close and May they give you comfort.

Tribute from Madge Weber

Relation: worked with Linda School District 79

Dear Carl and Allen, I am sorry to be so late with this note. I just recently knew of your mom's passing. Your mom was a caring and compassionate lady to work with and I am glad that I got to know her. After retiring from work, we would have "Catch up time" when we met, usually at a grocery store. Her friendliness will always be remembered.

Tribute from My Odessa.
