I am very sorry to hear of Mary's passing. Our families were not close but our mothers were Saunders sisters and both also passed before their time. My thoughts are with the family at this difficult time. I have recently been working on the Saunders family tree and would be more than happy to share it with Mary's family.

With heartfelt condolences,

We were so sorry to read of Mary's passing. Years ago, we were neighbours in Crofton and our children played together. Then years later, after we moved, Mary took care of our dog's grooming. She was so kind and loving and always made sure to attach little bows to our dog's ears! She will be missed by all that knew her. Our hearts go out to all her family members.

Tribute from Marion James

Relation: Friend

Although we didn't share a lot of time together in recent years I still would like to send the family condolences from Rick and myself at this time. I appreciated Mary for being the loving person, present mother, and babysitter for our son Josh during his younger years where he became part of John and Mary's family because Josh and Chris (Muqwui'uth) played hockey together for about 5 plus years; and I was attending college at the time so I wish right now to thank Mary for being there for our family. I know the boys have good memories in your home and I thank you for that. I ask the Creator to be with your family today to comfort them when those unexpected yearnings of your presence unpredictably come now and again. Thanks for your time of being a great Hockey Mom Mary!
