Uncle Mikey, you will also be a part of my childhood, you were the first one to give a fast ride in your fancy cars. The terrifying boat rides in your high horse power boat. I will always remember your laugh and your kind heart. Rest easy uncle Mike.

oh uncle mike. where do i start? you were the best to grow up with, always put a smile on my face when no one could. the world feels so quiet without you, the memories we have made, the laughs we have shared, and the nights we have spent sitting by the fire talking. I think i will always be in denial, but i'm so happy your in peace and until we meet again, i know your speeding up there
