Dear Mrs. Fisher, I never had the pleasure of meeting you but you sure did a wonderful job raising Penny & Paul. I worked with Paul & Anne in Ice Follies. Penny & Mike have become part of our family. Not many people make it to 100. Congratulations. Now you are with the angels & my husband George.

Relation: Neighbour

Paul and Penny

My condolences on the passing of your Mum.

You probably don't remember but I'm your old backyard neighbor on Falkland rd.

Your mum was a neat lady and my mum and dad always enjoyed their chats.

Hope all is well with your families.

**Tribute from Marilyn Gibson**

Relation: Neice by marriage

Thinking of you all - she was a very special lady. As I never had an aunt or uncle of my own Uncle Ernest and Auntie Muriel were very special to me and I will always remember them. I have a few extra special memories but New Year 1973-74 will always be remembered - especially when I eat cabbage rolls. Both Ernest and Muriel were very kind when my parents visited and they all had fun times together - but - as A Muriel would say "see you later"
