Tribute from Ryan Sandnes

Relation: Friend

Murray was one of the best people I have known. Always there to lend a hand, lift spirits, and an all around good hearted person. Always a story to tell, and held his family and friends in such high regard taking nothing for granted.

My life has changed forever my friend and I'm sorry I never got to repaying that pizza you left out that Gotham (my dog) ate=). So many stories I wish I could share...

Sincerest condolences to all of his family and friends. It was such an honor to know him.

Tribute from Ken Bulcock

Relation: Friend

My deepest condolences on Murray's passing. I am shocked, as I had seen and spoken to him recently. We attended Bench School from grade 1-7 and went to many birthday party's together growing up. Murray and I always kept in touch over the last 30 years and had many conversations. I will remember Murray as a good friend and a hard worker.
