

## REMEMBERING

# Norman Russell Anderson

September 3, 1948 - September 18, 2022

Norm to some, but Russ to family, passed away in his home on September 18, 2022. He was born in Medicine Hat Alberta and was predeceased by his parents Norman and Frances. He leaves behind one daughter, Sheri-Lynn Anderson, a sister Margaret Koch (nee Anderson) and a brother Jim F Anderson, nephews Tyler, Matt, Sam, Foster and nieces Shauneen and Frances as well as many cousins and friends.

Russ had a career with AGT, CanTel, BC Tel and Telus and retired in Cobble Hill BC to devote some time and travel to archery, his retirement obsession.

Russ was a singular person, living alone most of his life. His intense attitude toward his hobbies took him into white water kayaking, surf kayaking, and archery with many distinctions. He also enjoyed bowling, fishing and hunting. He was a crack shot and an energetic outdoorsman. When engaged in conversation, which was rare, he ably showed his intellectual side.

A gathering to remember Russ will be announced by family in due course.
