Tribute from Mike Bonin

Relation: I was related to Pat through Clive and Heather

What a most beautiful life lost. Pat will be forever in your hearts and she will look down upon you always. Deepest sympathies.

Tribute from Jane and Alex Matheson

Relation: Pat and I met on the tennis court at the Mill Bay Tennis Club - we became friends. She was a truly lovely woman in every sense of the word. My heart goes out to her family.

We send our sincere sympathies to John, and all three of their children: Giles, Clive and Harriet, and their families on the loss of wife and mother. Pat and I spent many happy hours of the tennis court - she was a lovely player. She was a lovely person and she will be sadly missed by all who knew her.

Tribute from Kate and John Roberts

Relation: Friend

Dear John,

We were so sorry to read in the paper about the passing of dear Pat and send you and your family our heartfelt condolences. We enjoyed meeting you both over the years (the first time walking to the Kinsol Trestle) and have fond memories of Pat acting in a pantomime at the Mercury Theatre.

Or sincere sympathy,

Kate and John Roberts

Tribute from Gail Robb

Relation: I knew Pat through her art and calligraphy.

I am so sorry to hear of Pat's passing. My sincerest condolences to you, John, and your family. I knew your family first through field hockey in Victoria and then here with Pat in the Warmland Calligraphers and her art at CVAC. She was always gracious, kind and welcoming.

Tribute from David E. Smith

Relation: I knew her husband John as we went to UWO together for our MBA

TO: John Wheatley, Clive, Giles and Harriet:

I did not know Patricia but John and I were introduced in Montreal by a mutual friend -Judy Earle who knew that both of us were going to Western to take our MBA training and to do the degree. We went into residence in the first year and roomed across the hall from each other and became close friends.

Please accept condolences from myself and my wife Heather. Pat had cancer for a long time so perhaps it is a blessing that she will not have to suffer any more. Our thoughts and prayers are with you at this difficult time.

John --let's keep in touch as you move forward to adjusting to a new life, with smaller home and fewer possessions--please call at 403-278-3358 to chat.

David and Heather

Tribute from Laura Ferreira and Steve Titus

Relation: I met Pat once or twice at the hockey field. My sons, Jeremy and Lee played hockey with Giles and Clive. John coached hockey with us in the Cowichan Junior Program. He also hiked with our hiking group for awhile.

Sorry to hear about Pat. Reading her story, she lived a full and active life. We just wanted to pass on our condolences to all the family at this time and to let you know we are thinking of you.

Tribute from Jo Bodard & Jack Abercrombie

Relation: We know Pat & John as neighbours on Tarn Place in Duncan.

John and family: Jack and I were saddened to read of Pat's passing. Pat was so cheerful and put on wonderful garden parties. Since we moved from Tarn Place we have missed our chats with her as we passed by while she was working in the garden. Our sincere condolences. Jo and Jack
