It is with great sadness that we heard of Paul's passing. Paul was a people magnet who never met a person he couldn't talk and laugh with. His sense of humour was infectious. Paul will be lovingly remembered by all of us who were lucky enough to have known him.

As a child, I always looked forward to our visits to "Paul and Mo's". Full of fun and energy. It was great to visit last year at my Dads' Birthday and to see him still lighting up the room.

Tribute from Steve Thorsell

Relation: We met through my Mom (Mavis) and his brother Roger

I remember meeting Paul at Roger's birthday party in Sherwood Park.. He was a very upbeat, positive person who was a pleasure to talk to. Cheerful, knowledgeable, good-spirited and fun are just a few words I can think of that can describe Paul within the first few minutes of my brief meeting with him.

He left me with the realization that he was a man who was both happy and content. My condolences to those who were lucky enough to have known him during the course of his life and time here on Earth. God Bless
