

REMEMBERING
Rebecca Fischer

August 21, 1983 - February 16, 2023

Rebecca Jolene Juniper Fischer, Blacksea Gypsy, citizen of the world, force of nature. Fierce and passionate lover of life, daughter, sister, muse, beloved friend.

Your strength, wisdom, beauty, sass, and humor will forever inspire us to live fully. Everyone in your presence became more themselves than they knew possible, and you would be sure to remind us if we were anything less. We were each empowered by the brilliant and beautiful mirror of you, uplifted by your encouragement, attention, care, and unapologetic willingness to live out loud. You made us each special in your world, uniquely connected and seen in a way that only you could offer. In your 40 years on this planet, you impacted countless lives, and left a wake of profound friendships in your path as you travelled the world.

Born August 21st, 1983 in Rocky Mountain House, Alberta, you came into the world with a mission to explore, dance, learn, laugh, and love to the fullest.

On Friday, February 16 at 5:55 PM you left this earthly plane to dance among the stars, and you will be forever missed and eternally with us. We love you, Rebecca, always.

A spirit send off is being held in Duncan, BC on Saturday, February 25 at noon. Following that on Sunday, February 26, an honouring ceremony will be held in Powell River from 3-5pm

Rebecca was loved by many across the globe so there will also be a celebration of life for her in Rocky Mtn. Hse, AB.

Further details to be announced.

Please contact Amanda Fischer for details. (403)895-3943
