Tribute from Paul Newhook

Relation: Cousin

We are very sadden to heard about the passing of our cousin Richard . Rich and I spent a lot of time together as young men. We went to trade school together for nine months.. When Rich was not fixing our bikes we spent hours, riding our Harleys with our friends. But the most important thing I will always remember and thank Rich for,is that 53 years ago, he introduced me to a wonderful young and beautiful girl who became my wife for 49 years and counting. Rickard had his own horse and was often seen riding around the streets of Corner Brook. What a sight to see! I'm sure my friend you now have both the Harley and horse together again, and are riding peacefully into the sunset. Our deepest condolences to Michelle and family.
