Relation: Old friends

So sad to hear this. Your Mom and Dad were both wonderful people. I remember them having the gas station in Mill Bay and was so lucky as to have run into Robbie a couple years ago. I thank her personally for looking after my Mom while my Dad got groceries. Such a loss to the community. Thank you from the Pete and Mary Davies family.

Tribute from Steve LeRoy

Relation: Long time friend

So sad another great lady is gone. Robbie was one of a kind. When I was born, the Robson family lived next door and so as a kid growing up her and Sandy were like big sisters to me. Robbie always was so nice to talk to and she definitely had her mother's witt. My parents held a wedding shower for her and Bruce when they were to be married and over the years was always great to see them and have a chat at various car shows.. She was known to so many people and loved by all that knew her. She will be missed by all.

My condolences to the entire family.
