Tribute from April

My heartfelt condolences to Sandra's family, including her grandchildren that I know love her dearly. Sandra's kindness knew no bounds, from baking my favourite cake during pregnancy cravings to crafting cherished blankets for the birth of my children. Her love for dogs was only surpassed by her love for her family, and her passion for both will be fondly remembered by all who knew her. May her legacy of love, compassion, and devotion to family continue to inspire us all.

Tribute from Andrea Stuart

Relation: Dear friend

My deepest sympathy. Sandra was one of the kindest person I have known. Always willing to help and provide support to those in need. She helped ways I have never known.

Tribute from Shelley Evans

Relation: Through scent detection work with Cowichan K9

I was honoured to have Sandra be one of my scent work coaches at Cowichan K9 Noseworks. Her kindness and knowledge instilled confidence, even to complete novices like my dog, Stig and I. Sandra always offered encouragement and helpful suggestions and ended with a "you can do this" inspirational word or two. There is never a good time or a right way to say goodbye, and words always seem so inadequate. My sincere condolences to all who knew and loved her.

Tribute from Blair Kilgour

Relation: Friend and Instructor

Sandra was a special friend Always there to help! and put her all into helping us doing scent work. My blood sugar was super low ! Guess who came to my aid, finding me anything with sugar. Yes Sandra

Tribute from Suzanne Armour

Relation: Friend

Sandra was a goddamn delight. She was funny, smart, kind and thoughtful. She was a real one of a kind lady. She loved competing with her dogs but she wasn't competitive - it was always about the sheer joy of working with your dog. I will miss her big smile and sarcastic sense of humour. It was an honour to call hrr a friend. Sending love to her 2 and 4 legged family.

My heart absolutely broke hearing of Sandra's passing. She was a caring, selfless and loving mother, wife, educator and animal lover. May she rest easy. Rick, Damian, and Megan - warmth, hugs and healing. Her legacy lives on through you all and be so proud of what an amazing lady she was. You'll be missed, Sandra.

Tribute from Kathy Morin

Relation: friend

I'm sorry to hear about Sandra's passing. It is not easy losing a loved one especially a mom/wife. Sandra was such a kind person. I remember when you lived in Vanderhoof she stopped by our house and brought me a baby sweater and bonnet that she made for my youngest daughter after she was born. And we stopped by your place once and she introduced my oldest to her horse. My daughter was so thrilled. Hugs to you all.
