Relation: Neighbour and we both spoke at the FKSS Cancer Campaign years ago

"Tis a fearful thing to love what death can touch

To love, to hope, to dream, and oh, to lose.

A thing for fools, this Love, but a holy thing,

To love what death can touch.

For your life has lived in me;

Your laugh once lifted me;

Your word was a gift to me.

To remember this brings painful joy.

Tis a human thing, love, a holy thing,

To love what death can touch.

I miss those little joys of Life! Condolences to the whole family and especially to Adam.

Dear Adam. I enjoyed teaching you music at Bench Elementary many years ago. Your Mum was always at the school helping in any way she could and being there to be closer to you. We all loved her and she certainly loved you! I could not be at your Mum's Celebration of Life but would like to pass on my sincere condolences to you and your family.
