Tribute from Heather Lamont

Relation: Co-worker

I had the pleasure of working with Terri many years ago at the CVI. Since then I had seen her where she last worked saying hello in passing. I also went into Hospice in November & sat with her for a short time. It was nice to visit as we chatted a bit. Rest in peace Terri... You are a beautiful soul. My condolences to her family & close friends.

Tribute from Valerie Atagi

Relation: Cousin

Taken far too soon. My heart is broken for Christopher and her family. My cousin Terri was my teen idol. She was just a few months older than me but then I thought of her as my fun loving blonde-haired beautiful Okanagan beach girl who I wished I could be more like. So many friends and always something fun going on. Loved her dad and her mom and our shared grandparents. More than 40 years have gone by but this is my memory of Terri as I write this. Sunshine and ice cream for sure!! Xoxo. Rest peacefully Beautiful.
