Dear friends,

Please accept my condolences in the loss of your son and brother. I do remember him as a little tyke, especially as the 'Swing Sisters' practiced and sang, and he happily amused himself. Tribute from John Szaszkiwicz

Relation: family friend

Dearest Egils, Rachel and family,

Just heard the most tragic news and cannot imagine what you all must be going through...

Although we did not know Victor, we've read and heard that he was an outstanding young man. If he was anything like his mom and dad, he most certainly will have made anyone who's life he touched a better person.

Life is a gift and not always very fair...

God's plan is never very obvious for any of us... hopefully, we make a difference in our short time in this world, until our time comes and we all meet again in God's kingdom...

Our thoughts and prayers are with you always,

Jean and Helene and the entire Szaszkiwicz family who love and think of you often

"When he shall die,
Take him and cut him out in little stars,
And he will make the face of heaven so fine
That all the world will be in love with night
And pay no worship to the garish sun."

Although I did not know your son or indeed even your family, I am sending you my condolences from a place of acute understanding and empathy.
