H.W. Wallace Cremation and Burial Centre Staff send our condolences to family and friends.

Tribute from Mr. and Mrs Gary and Pauline Jackson

Relation: He was a friend/coworker of Garys.

We would like to send our sympathies to the family. Dan, Debbie, Brenda and Darcy and another son. We Gary and Pauline Jackson are so very grateful for Lloyd. He was a lifesaver for Gary when he came personally to our home at one time and told Gary there was a job at the City works yard when we needed help. Our children were little at the time. Gary was looking for work. Lloyd always knew you when you met him on the street. Besides being a Duncan Firefighter, a former neighbour on Thirdth Street also, He was also very friendly and cheerful and always kind. We will miss you Lloyd as the Dairy Queen staff will also remember him as a patron coming in for coffee in the past in the local Dairy Queen. May you be with Laverne and Bob now and don't forget that we will be soon coming to meet you all up there in that great kingdom of Heaven above. Until we see you again Lloyd. We will miss you, seeing you on your scooter motoring down the highway sideways.
